

Scholarship Committee Report

The Scholarship Committee met in October at the Fall BITE Meeting. We discussed who the new chairperson would be due to the past chairperson resigning. We also decided to to change the award name to the Dean Denton BMITE Scholarship. If there was to be a second scholarship to be awarded that year, the name would be the BMITE Scholarship. We also set the due date for March 11, 2016 and adjusted the grading rubric to reflect the leaderships request to not have BPA involvement scored so highly.

In March the scholarship committee met again at the Spring BMITE Meeting. We graded all scholarship applicants using the new rubric. The committee presented Cody Gervasi as the recipient. We also welcomed Dawn Owens and Marie Page to the committee.
